

Great Playdough Recipe :)

(RCPC Preschool) **Directions:**

In a large pot, combine salt & water.

Heat on high & boil until the salt is mostly dissolved.

Add oil, & cream of tartar, and stir.

Reduce heat to med-high & mix in flour while stirring constantly with a sturdy wooden spoon.

Keep stirring until the dough is stiff (playdough consistency)

Move the dough to cool on a flat surface

When cool enough to touch, knead & store in an air-tight baggie when room temperature.

Food Coloring & Scents (like essential oils or spices) are a fun addition!

This is a workout to stir, but SO worth the effort!

Will last a month easily. If it starts to dry out, add some water & knead in.
